Hi Jim,

Currently the plotter that I use is not functioning properly, so I can not print the map right now. However, I contacted Don Evans who will hopefully help me in finding another plotter to print the map for you - I believe facilities has a plotter that would be able to be used.

Once I hear from Don, I will let you know when I can get the map to you. Sorry for any inconvenience!

Thanks,
Gretchen

Gretchen,
Can you print the Dimock12 file at ANSI E scale
L:\Share\G_STEVE\Dimock

Thanks... I am leaving at noon today... If I am not here can you deliver it to Karen Johnson?
